

SHREYA HEGDE

AI Product Design | Conversational UX | UI/UX Design

 Bengaluru |  shreyahegde244@gmail.com |  +91-9148723042 | [Behance](#) | [LinkedIn](#)

Career Summary

Product Designer specializing in AI and conversational UX. Proven experience in driving prompt engineering strategies for generative AI interactions and translating complex prompt workflows into intuitive chatbot and dashboard experiences. Strongly rooted in rigorous user research and rapid prototyping.

Education

Bachelor of Visual Art (BVA) Jan 2020 – Aug 2024

Government Fine Art College, Dharwad

Advanced UX/UI Design course Nov 2024 – May 2025

Bridge UX Studio

Experience

Product Designer, InferWorks Aug 2025 – Aug 2026

- Spearheaded AI product design initiatives, establishing scalable conversational UX patterns for enterprise clients.
- Implement advanced prompt engineering frameworks to optimize generative AI interactions, significantly reducing user friction.
- Prototype and iterate on innovative chatbot interfaces and accompanying data visualization dashboards to streamline decision-making.

Product Design Intern, Bridge UX Studio Nov 2024 – May 2025

- Applied foundational UX principles and user-centered design methodologies across multiple cross-functional squad projects.
- Conducted extensive competitive analyses and heuristic evaluations to identify usability gaps in legacy systems.
- Facilitated usability testing sessions utilizing paper prototypes and low-fidelity digital wireframes to validate early concepts.

Skills and Tooling

• AI & Conversational

AI Product Design, Conversational UX, Prompt Engineering, Chatbot Design, Dashboard Design, UX Writing

• UX Research

User Interviews, Competitive Analysis, Usability Testing, Heuristic Evaluation, Card Sorting, Empathy Mapping

• UX/UI Design

User Flows, Information Architecture, Wireframing, Prototyping, UI Design

• Software & Platforms

Figma, Adobe XD, Miro, Photoshop, Illustrator, Design.com, Antigravity, Figma AI, Claude, Stitch, Lovable

Projects

- **Conversational AI Chatbot**

AI Product Design · Conversational UX · Prototyping

- **Party Booking Chatbot**

Conversational UX · AI · User Flow · Chatbot Design

- Working prototype using AI tools.

- **Website Revamps**

UX/UI · Responsive Design · Information Architecture

- **Sagar World — Website Revamp**

UX/UI · Web Design · Visual Design
